This charming Craftsman home is located on an oversized lot in a prime Ferndale location. The home has so much to offer with its many unique spaces and flexible floor plan. The upstairs addition was added some years back and includes an abundance of storage plus a bonus room with endless possibilities. This yard could be a gardeners paradise with its many mature trees. Property also includes a detached garage, garden shed, and an additional structure that would make a nice office or creative space. All this and much more within a short distance to Historical Main Street, parks, and nearby beaches.
